Nimbus does not currently have an office in Deccan State. For projects that require a local presence, Nimbus sets up a project office within 30 to 60 days of award, as it did in Konkan State (2020) and Vindhya State (2020).

5. Service lines

Service line	Share of FY 2024-25 revenue	Typical engagements
Data centre and DR managed services	38%	24x7 O&M of state data centres, bank DR sites, private clouds
Network and NOC services	16%	NOC operations, WAN and SWAN O&M, campus networks
Hybrid cloud services	12%	Landing zones, migration, cloud operations on MeitY-empanelled providers
Security operations	9%	SOC operations, SIEM engineering, VAPT coordination
Application services	25%	Application maintenance, CRM and portal modernisation

Revenue from data centre, network and managed IT infrastructure services (the first two lines) was ₹31.30 crore in FY 2024-25. See the CA certificate (KB-FIN-CA) for audited segment figures.

6. Delivery model

Nimbus delivers through a hybrid onsite-offsite model. Onsite teams run 24x7 shifts at client data centres; the Pune remote NOC provides L2/L3 escalation, tooling, automation and reporting. All delivery follows the Nimbus Service Delivery and Change Management Methodology (KB-POL-005), aligned to ITIL 4, and the ISO 9001 quality system. Nimbus uses the OpsCentral ITSM and EMS suite as its standard tool stack (authorised partner since 2019, KB-REG-008).
