Case Study: Municipal Network Operations Centre and City WAN O&M

Synthetic case study of a fictional project for the TenderBridge demo.

1. Project facts

Project ID	PRJ-003
Client	Navi Sagar Municipal Corporation (fictional urban local body)
Client type	Urban Local Body (Government)
Contract value	₹14.90 crore (including taxes)
Period	1 July 2019 to 30 June 2023
Status	Completed
Nimbus role	Prime contractor (sole bidder)
Data centre racks	8
Technologies	Cisco, Juniper, SolarWinds, OpsCentral ITSM
Completion evidence	KB-CC-003

2. Client context

Navi Sagar Municipal Corporation runs a city network connecting 310 municipal offices, schools, water pumping stations and CCTV backhaul.

3. Scope delivered by Nimbus

- Set-up of a 24x7 Network Operations Centre in the municipal building
- Monitoring and O&M of 310 WAN nodes and the CCTV backhaul
- ISP coordination and change management
- Daily network health reports and monthly SLA reports

4. Implementation timeline

Period	Milestone
Jul-Sep 2019	NOC set-up and NMS deployment
Oct 2019-Jun 2023	O&M
Jun 2023	Completion and handover

5. Team

NOC team of 16 (network lead, shift in-charges, L1/L2 engineers).

6. Solution and operating model

Centralised NOC with an NMS polling 310 nodes every 60 seconds, ticket auto-creation, ISP escalation matrix and a field team dispatched through the ITSM tool.

7. Outcomes

Network availability 99.6% averaged over 48 months (illustrative synthetic figure). These figures are invented for the demo and must be cited only as case-study statements, not as audited results.

8. Governance

Monthly service review with the client chaired by the client's nodal officer; quarterly steering committee; SLA reports from tool data audited by the client's third-party auditor where one was

appointed. Escalation: shift in-charge, project manager, delivery head, Nimbus VP - Public Sector Business.

10. Challenges and lessons learned

Monsoon-related outages on last-mile links; introduced a preventive maintenance schedule with the ISP before monsoon each year.

11. Relevance notes for bid teams

NOC O&M for an urban local body. The NOC is 24x7. Contract value ₹14.90 crore.
