Notes

- PRJ-007 is an annual maintenance contract for data centre hardware only; it does not include operations.
- PRJ-010 covered a 12-rack server room and a campus network; it was not a 24x7 NOC.
- PRJ-006 is ongoing; 96 of 140 workloads migrated as on 30 September 2026.
- Values include taxes. Values for consortium projects are total contract values; the Nimbus share is shown in brackets.
