Partnership Confirmation Letter (synthetic)

OpsCentral Software Ltd (fictional OEM) confirms that Nimbus Digital Services Private Limited is an authorised implementation and support partner for the OpsCentral ITSM, EMS and NMS suite for the calendar year 2026. This is a general partnership letter. It is not a bid-specific Manufacturer's Authorisation Form; a MAF must be requested from the OEM for each tender.

SYNTHETIC - FICTIONAL DEMO DATA FOR TENDERBRIDGE - NOT A REAL COMPANY RECORD
